## CALTRANS BEGINS REPAIRS ON STATE ROUTE 111 IN PALM SPRINGS

**SAN BERNARDINO-** Caltrans has awarded a \$1.53 million, seven week project to All American Asphalt of Corona, California that will make repairs to State Route 111 (Vista Chino Avenue) from the Palm Springs International Airport to just west of Gateway Drive beginning Monday, April 25, 2016.

Specific areas of State Route 111 will be dug out and repaired. Once repairs are completed, the contractor will then apply a slurry seal to the entire six-mile segment that will aid in road preservation.

Thank you for your patience as Caltrans works to improve your ride on State Route 111.
